## Overview of the New Testament and Life of Christ– Lesson 13

### Top Words in the New Testament

One could make up a sentence of important words like “The Lord Jesus Christ, the God-Man, came saying great things of the Father and His Kingdom”

# Big Picture New Testament

## Lots of pieces

Need them all – preservation of each jot and tittle

([De 4:2](#); [Ps 12:6-7](#); [Pr 30:5-6](#); [Mt 5:18](#); [Re 22:18-19](#))

Not all Bibles are the same. Some are missing key pieces (i.e. [Acts 8:37](#), [Mar 16:9-20](#))

**One way to do it right. What did the**

**Author intend?**

No private interpretation ([2Pe 1:20-21](#))

Must be rightly divided ([2Ti 2:15](#))

Takes time and hard work ([Isa 28:10](#))

**Self-interpreting. Search, sort, and compare.**

Searching: [Joh 5:39](#); [Acts 17:11](#);

Comparing: [1Co 2:13](#); [Joh 6:63](#)

**Find edges, corners, colors (i.e. key**

**concepts)** – people, places, events, and times

**Gets easier as pieces fall into place.** What

seems right at first may turn out to be wrong later

**A blind man would have a hard time**

**doing a puzzle.** [Mt 13:13](#) [Joh 12:40](#) [2Co 4:3-4](#)

[2Ti 3:16](#) - profitable

[2Ti 2:15](#) - to study, rightly dividing

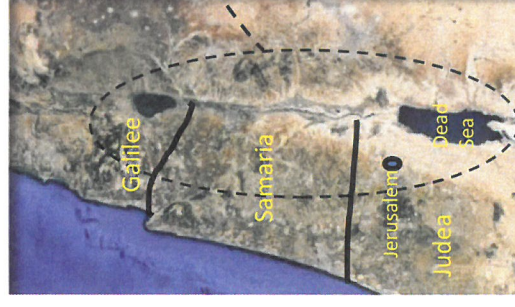

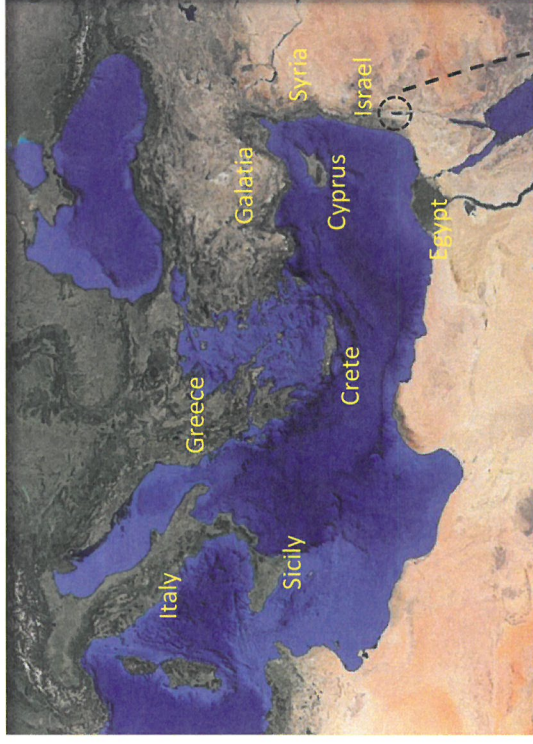

[2Ti 2:2](#) - teach others to teach others

“I KEEP six honest serving-men  
(They taught me all I knew);  
Their names are **What and Why**  
**and When And How and Where**  
**and Who.”**
